Woolworths Store for Altona?

Woolworths Victoria Limited have notified the Altona Shire Council they are considering a proposal to erect a modern Woolworths Variety and Food Fair Store in Altona East.

The site of the proposed store is 1½ acres of land bounded by Hansen Street, The Broadway and McIntosh Road in Altona East.

The Board of Directors of the company feel the district can adequately support such a store and its development will strengthen the shopping centre as a whole to the extent they feel it necessary to also provide car parking space for customers.

As soon as the directors approve of the scheme the company intends applying to the council to have the area released from residential to commercial.

In discussing the proposal at the last council meeting, Cr. J. J. Glinfer said the rate payers would be pleased but

possibly the shopkeepers in the area may have mixed feelings on the proposal.

He also suggested the council should negotiate with the company for the provision of a bus shelter and public conveniences in the planning of the car park. A further suggestion was as the car park would be unused on Saturday afternoons, Sundays and holidays, perhaps the car park area could be marked out as basketball courts for the use of weekend players.

Cr. Glinfer said if the company wants council support to the Board of Works

for the proposal he feels the company could make some contribution to the shire.

But in order to give councillors time for some thought on the matter and to give shopkeepers time to voice any objections to the scheme he moved that the matter be made an Order of the Day for the next meeting.

Cr. H. W. Lee commented he wished it was in Pier St., as the town lacks a store of this type and this store will bring more people to shop in the area. He said it must make a general increase in overall trade.

In fairness to the shopkeepers Cr. R. J. Cooper said they must allow them to voice their opinions and he agreed the matter should be held over to the next meeting so councillors may consider the overall position.

Cr. W. G. Cresser agreed the proposal must be made public to allow people in the vicinity to consider the scheme but he thinks it will be an asset to the shire.

Road Fatality

A boy cyclist, Vincent Kerridge, aged 14 years, of Ascot Street, Laverton, was killed in a collision with a car in Railway Parade, Laverton.

Two other cyclists, his brother, Peter, 16, and Charles Cutajar, 15, of Epsom Street, Laverton, were also involved and were treated at Footscray Hospital for cuts and bruises.

Later a man was charged at Williamstown with having driven while under the influence of liquor and with having driven dangerously.

CR. W. G. CRESSER, J.P.

At the Altona Council meeting Cr. W. G. Cresser was congratulated by councillors on his appointment as a Justice of the Peace.

His rights to the position had been advanced by Mr. G. R. Crick, M.L.A., and the Western Suburbs Justices' Association. Letters of thanks are to be sent from the council.

Dogs Enjoy Dog Show

One hundred and seventy dogs attended the Dog Show on Grant Reserve last Sunday. Some of the dogs had persuaded their owners from distant suburbs to attend the show.

Toy dogs to great danes came along to see what prizes they could win for themselves. As well as the prizes for the "aristocratic" pedigreed dogs there were prizes for the "dogs of all makes." Prizes for the shortest tails, longest tails, waggiest tails, saddest eyes and any other title which could be thought of by the organisers.

One small dog looked a pet in a pink baby dress and matching bonnet. A very pretty black poodle was very particular about her appearance—she finished her coiffure with a blue ribbon in her hair. But her owner informed spectators the poodle was a he. That should have been evident as blue is for a boy. Same dog made sure everybody knew his owner was a poodle fan—owner wore a jumper adorned with poodles.

A great dane decided to see more of what was happening so all 10 stone of him stood on his hind legs, placed his forelegs on the shoulders of his five-foot tall owner and disdainfully surveyed the surrounding throng from his height of over six feet. Apparently there is no colour bar in the doggy world as a black poodle and a snow white poodle were very happy in each other's company—their owner holding both leads in the one hand.

The organisers of the show had stalls with a variety of goods for sale, afternoon tea for the visitors and a "hot dog" stand, but frankly we are not sure if the dogs approved of this last stand as the "hot dogs" sold like "hot cakes."

But all the dogs induced their owners and the spectators at the show to spend their money freely with the result the building fund for the Altona Guides and the Brownies benefitted by approximately £70.

The committee of the dog show held on Grant Reserve last Sunday wish to extend their thanks to all trades people in Altona, Footscray and the city for donations and trophies.

Their thanks go to all the helpers whose efforts made the show such a success.

They would also like to thank the dog lovers for their support. An entry of 170 dogs in all speaks for itself. The committee says thank you all.

Winners of the special effort run in conjunction with the dog show were—

1st: Mr. K. Hutton, ticket No. E30 pink; 2nd: Mrs. Newman, B8 pink; 3rd: Pam Bealls, B60 yellow.

Julie Hutton with her pet, Lindy Lou, which won the prize for the best dressed dog at the dog show on Grant Res. last Sunday.

HOCKEY CARNIVAL

Seven hundred was the official count for players and spectators attending the junior hockey carnival held on Grant Reserve last Sunday.

The Shire President, Cr. A. W. Bond, and Cr. R. J. Cooper welcomed the visitors. Also present was Cr. V. Hearn.

The president of the Victorian Hockey Association, Mr. J. Pearce, presented the trophies to the winning teams.

In the 1st Division Greensborough defeated Toorak to win the Ford Cup. (Altona reached the semi-final but were defeated by Toorak for the right to play in the final).

The Altona Cup for the 2nd Division was won by Footscray, who defeated Dandenong.

St. John Ambulance Presentation Night

Mr. A. Ralph, superintendent of Altona St. John Ambulance Brigade, is presenting the "Operation Beach-clean" Shield to Cr. G. den Dulk, president of the Altona Division, for safe keeping for the next 12 months. (See Page 3 for story.)

POSTAL APPEAL

The Post Master General's Department requests residents in the area previously Webb Street north of the railway line to help the Department in ensuring that their mail is delivered with a minimum of delay.

As the street has now been re-named Hancock Street, our assistance is sought in advising your correspondents of your new address and also in displaying the correct house number.

This action will enable postmen not familiar with the street to deliver mail promptly and with a minimum of effort.

COMMONWEALTH BANK

Mr. K. G. Wilson, manager of the Commonwealth Savings Bank at Altona, has announced that the Commonwealth Trading Bank agency conducted at his office will be converted to branch status from June 20, 1963.

He added that this decision had resulted from the increase in business being transacted and he felt sure that the additional services would be welcomed by local residents and the business community.

Facilities of the Commonwealth Savings Bank and Commonwealth Development Bank will continue as previously.

INFECTIOUS GENEROSITY

R. J. Gilbertson Pty. Ltd. well-known butchers, have made notable donations to local charities. The Elderly Citizens' Building Fund Appeal and the Altona District Hospital each received £250.

At the council meeting last Tuesday, the president, Cr. A. W. Bond, presented the cheques for these amounts to the Elderly Citizens and the Hospital.

Mrs. Queenie Cox in receiving the donation on behalf of the Elderly Citizens thanked R. J. Gilbertson's not only for this gift but also for their most generous help from the inception of the club.

Cr. W. G. Cresser for the

Altona Hospital thanked the donors for their fine gesture which was very welcome.

Cr. J. J. Glinfer thought Cr. Bond could add to his philanthropy by making a donation from the council to the hospital of a further £100.

The president said it gave him great pleasure to do so. He moved that £100 be donated out of the Council Charity Fund.

UNPOLLUTED WATER

Melbourne's unpolluted water supply has been its pride for many generations. Now its quality and quantity are being threatened. How can sufficient supplies of good water be obtained? So much has been said by those with fixed views on this matter that a clear picture is not easy.

The Board of Works has become aware that in line with present trends a population of 5,000,000. can ultimately be visualized for Melbourne. As part of its duties in providing for sufficient future water supply, the Board put forth a plan for the diversion of the water of the Big River (at present flowing into the Eildon Weir). This, as reducing the amount of water for irrigation, was strongly resisted by country interests.

Before the Public Works Committee various alternate plans have been put forward. One was to use the water of the Maribyrnong to supply part of the needs of western suburbs, including part of Altona. This led to strong opposition initiated by Altona council. Other evidence was given re alternate plans to use the Lower Yarra waters near Warrandyte. Even the ultimate de-salting of sea water has been mentioned.

The day may come when it may be necessary to put all these ideas into practice.

However, there is another solution. If all the advocates of alternate water schemes leant their energies into a really effective de-centralization plan Melbourne's 5,000,000 would be long postponed, perhaps indefinitely.

TRANSPORT INQUIRY

A more optimistic note was struck at the last Altona Shire Council meeting during a discussion on prospects of rail extensions.

Of 1071 questionnaires submitted to residents of the area concerned, over 700 forms have been returned.

Most of this was due to council employee, Mr. G. Hook who acted as collector. He reported that out of 700 only four said they were not interested, the majority wanted it badly and every house he visited returned the form.

The houses from which the 370 forms have not been returned have been visited by the collector, but occupiers have been absent on each occasion. As these houses are probably occupied by fully employed families who would benefit greatly from an extended rail service, the council is anxious for them to return the questionnaires.

Therefore, another collector will visit these homes in the evening. But a further appeal is made for these occupants to post the forms to the council.

When the forms are all returned the replies will be collated and valuable evidence to place before the Inquiry will be available to the council.

oOo

ROAD SAFETY

Three car accidents in Altona on the morning of June 12 was a bad record.

However, in each case the occupants were unscathed, the cars only being slightly damaged.

Apparently the safety speed was not exceeded, the missing ingredient was a little more safe driving.

PLENTY OF MONEY

Various offers of loan money came before the Altona Shire Council at its last meeting.

A client of J. B. Were & Son (brokers) is prepared to offer £100,000 for 40 years at 5 1/2%. The A.M.P. Society offered a loan of £30,000 for private street construction, repayable in 15 years. The engineer reported that at least three other contractors would be willing to supply finance for road construction schemes (story in "Altona Star" 23/5/63).

While other councils are more or less scraping for funds, these offers indicate at least that our council has a good name and is worthy of the credit offered.

The council has accepted the two loans totalling £130,000. At least £80,000 of this money will be available for private street construction. A further £50,000 would be provided for the swimming pool, or if necessary will also be used for private street construction.

oOo

DANGER IN GRANT RESERVE

A letter to the editor of "Altona Star" on June 6 referred to the danger to spectators through irresponsible car drivers on Grant Reserve.

This was discussed at the last council meeting.

Councillors are concerned over this matter and are awaiting on the Parks and Reserves By-Law No. 21 being Gazetted. This will give all necessary powers to control this undesirable activity.

oOo

THIEVES AT SERVICE STATION

Goods valued at £180 were stolen from the Total Service Station at the corner of Millers Road and Duke Street, Altona North.

The theft occurred early on Sunday morning. When a watchman inspected the premises at 4 a.m. everything appeared in order.

Thieves apparently entered by removing glass from a louver window. The door of the money receptacle for the self service bowser was also removed.

Stolen goods included valuable tools, car radios, cigarettes and sundry items.

ALTONA WEST PRIMARY SCHOOL NEWS

Due to the increase in the number of pupils attending the Altona West Primary School, the school is to be re-classified as a Class 1 School.

The new head teacher will be Mr. R. C. Sullivan. The present head teacher, Mr. R. Walker, will remain at the school as a staff member.

Mr. D. M. Rattray and Miss M. M. Jamieson have been appointed as assistants and will take up their appointment in February of next year.

Recently the girls of Grade 6 held a stall for school funds and raised the sum of £4/16/5. Mr. Walker would like to thank Altona Petrochemical Co. Pty. Ltd. for the donation of £10 towards the library and equipment fund.

Next Sunday, June 16, the School Committee is holding a working bee commencing at 9 a.m. to stack timber in the school grounds. They intend to sell this timber and would be pleased to hear from anybody wishing to purchase good second-hand timber.

St. John Ambulance Brigade

A combined presentation night for divisions of the St. John Ambulance Brigade was held in the Youth Hall, Civic Parade, Altona, last Wednesday.

During the evening the "Operation Beachclean" shield was presented to Cr. G. den Dulk, president of the Altona Division, for safe keeping for the next 12 months. The shield was won by the division in a competition conducted annually by the Altona Shire Council.

The shield has been placed on display in a glass case on the wall of the Youth Hall. Present were members of the girls nursing division, boys cadet division and the senior adult division.

The following successful members were presented with first aid certificates won by them when they passed the examination which followed a recent first aid course—

William Bates, Ross Tedge, Maxwell Elmer, Ian Gibson, Peter Bradshaw, Rosalie Male, Irene Beer, Stanley Miles, William Dutton, Terry Woodcock, Ann White, Robert Tait, Kenneth Hayes, Richard Bradshaw, David Bradshaw, Irene May Beer, Frederick Knapp, Doreen Bond and Toule Englezakis.

During the past 12 months the Altona Division has been very active, having put in 1242 man-hours on duty and treated 632 cases. Several cases treated undoubtedly assisted in saving life. As all this work is voluntary the community owes much to the members who give so much time to this work.

The Division was successful this year in winning the council shield for Operation Beach Clean. This is the second award the Division has won, last year they won the prize for the best male individual effort. Since the Division was formed about 15 years ago, nearly 500 certificates both senior and junior have been awarded. This has been made possible by the assistance rendered by the Altona council during the past years.

It is proposed to conduct a home nursing class in the near future. Any person over 15 years who is interested please phone 65-8833.

HEARD AT THE BOWLING CLUB DO

Glen and Jane McNielage made it a double celebration—it was their 25th wedding anniversary.

Birthday greetings went to George Sevier.

Friends missed the presence of Bill and Jess Grant—were sorry to hear Bill is on the sick list.

Alf and Pat Gischus were unable to make it—Alf was sick (too many chips).

Bill Probert received a special presentation—it was handy too, saved him long walks.

Marg and Noel Richardson celebrated their wedding anniversary too.

COULD IT BE YOU?

Recently one of the lady bowlers was stopped by a cop for speeding. When she refused his invitation for a date, what did he check for road worthiness?

Have you seen the famous strippers? One of the ladies evidently had—she gave a good imitation of the act. Why?

We noticed one lady looked very charming in her lilac—in fact blooming.

Were the others aware Grace Kelly was present drinking her own West End?

Twisters were well to the fore again—with more than one lady discarding her shoes in the process. We noticed everybody and we mean everybody, having a go at the twist.

SWIMMERS!

Boys of the Altona High School are fast becoming proficient swimmers.

The boys say that every time they fall over while playing football they have to swim three strokes before they can surface again.

What about trying water polo boys?

NEWPORT v. I.N.F.

I.N.F., playing better as a team, were able to become the only undefeated team by opening up a handy lead against Newport in the first quarter and stalling off a determined finish in the last quarter to win by 10 points on the rain affected Newport Oval.

	I.N.F.	Newport
1st Quarter	3 6 24	1 2 8
2nd Quarter	6 8 44	3 5 23
3rd Quarter	8 11 59	7 8 50
FINAL	10 12 72	9 8 62

With Sam Pante in good form at centre-half forward I.N.F. shocked Newport with their fast, play-on football. They raced to a good lead while Newport were left flat-footed because of their slowness in going in for the ball. Tom Jenkins was striving hard in the centre for Newport, but was not receiving any support from his forwards, who were repeatedly found out of position.

Newport's position looked grim as the second quarter got under way, as I.N.F. continually drove the ball forward and their attack capitalised on any opportunity that came their way.

When the home side did attack they found Brian Arrowsmith and his co-defenders turning them back. Barry Muschialli was gradually coming good at the spearhead and added two valuable goals in this quarter to keep his side within respectable distance of the leaders at half-time.

The third term commenced as did the previous two, with I.N.F. in everything.

However, suddenly Newport, realising that the game was

slipping from their grasp, lifted their game.

Kevin Ackerly was giving Tom Jenkins support across the centre and they found that, on attacking, they had someone on their forward line who was willing to co-operate with them. Gerry McNamara had found his feet at centre-half forward and at three-quarter time, Newport had crept to within nine points and looked possible victors.

After appearing rattled in the previous term, I.N.F. steadied in the last and they soon added two quick goals to cement their position in front.

Stan Sandford at centre-half back provided the nucleus of a stolid defence and in a slogging finish, they battled on to defeat Newport by a well earned 10 point margin.

Best players: I.N.F.: Brian Arrowsmith, Selwyn, Riley, S. Pante and Sandford. NEWPORT: Jenkins, Johnston, K. Ackerly, Muschialli and Jack Evans.

Goalkeepers: Pante 3, W. Miller 2, Townsing 2, Edwards 2, H. Smith 1. NEWPORT: Muschialli 5, Johnston 2, Evans 1, McNamara 1.

ALTONA v. W. ROVERS

Altona "coasted" to a comfortable win over W'town Rovers by turning on a brand of power football in reasonable conditions at Grant Reserve.

	Altona	Rovers
1st Qr.	9 4 59	1 0 6
2nd Qr.	12 11 83	1 2 8
3rd Qr.	19 18 132	2 4 16
FINAL	23 24 162	2 4 16

Derek York could be termed the hero of the day in this one-sided affair because of his brilliant ruck play in completely blanketing Rovers' Ron Dingey, who, up to this clash, had proved one of his side's most outstanding players.

Altona had many good players and to comment on their potential for the tough matches to come, would be some what foolish, as they were not subject to any worth while opposition.

However, in the centre Mal Tisdale's form was inspiring, as he was up against experienced Jim Pitt and although both played serviceable games for their respective sides Tisdale was the more effective on the day.

Best players: ALTONA: M. Tisdale, York, Stephenson, J. Petersen and Richardson. ROVERS: Pitt, Davies, Chamings, Blair and Sheriff.

Goalkeepers: ALTONA: J. Peterson 6, Stephenson 4, W. Rowson 3, Rohleder 3, M. Piovesan 2, Newman 2, M. Tisdale 1, Hogan 1, Wenlock 1. ROVERS: Matthews 1, Bourchier 1.

SOUTH v. CENTRALS

Werribee South issued a football lesson to Central Altona when the latter received their initiation as a senior side to Chirnside Park last Saturday.

	W. South	C. Alt.
1st Qr.	6 4 40	1 0 6
2nd Qr.	10 10 70	1 2 8
3rd Qr.	14 14 98	1 3 9
FINAL	17 23 125	1 4 10

The game was very one-sided from the beginning and Werribee South's experiment of playing Barry Hayes at centre-half forward was paying dividends.

Centrals had very few good players, but Keith Murrell played well as a ruck-rover and Len Marr was also doing well in a similar role.

South's defence was outstanding with Rod James at full-back and Ray Miller on a half-back flank doing everything in their power to prevent Centrals from scoring.

Ron MacNamara rucked tirelessly under the conditions and Jeff Garfield played creatively on a half-forward flank.

Best players: WERRIBEE SOUTH: D. Dove, Hayes, T. Stoios, L. Allison and R. James. CENTRAL ALTONA: K. Murrell, Trevean, Arnold, Barnes, Smith and Marr.

Goalkeepers: WERRIBEE SOUTH: T. Stoios 5, B. Hayes 4, Edwards 4, Munyard 1, Fielder 1, Oldfield 1, N. Stoios 1. CENTRAL ALTONA: Peatling 1.

CENTRALS v. SOUTH

In a "splashing" display of football on Sunday at Laverton, Central Altona decisively defeated Werribee South.

	Centrals	South
1st Qr.	1 0 6	4 0 24
2nd Qr.	6 6 42	4 0 24
3rd Qr.	8 6 54	4 1 25
FINAL	11 6 72	4 2 26

Werribee South looked like a premiership side in the first quarter when they scored four goals before their opponents could manage to get the ball into their attacking zone.

Bill Edwards was dominating as a rover for South and it was through his good scouting that South scored two of these goals.

The second quarter saw Centrals find their feet (or fins) and quickly rattled on six goals for the term.

Most damaging for Centrals was John Mercer, who finished the day with six goals. From this point on, it was a one horse race with Centrals doing as they liked, although South did offer some resistance for a time in the last quarter.

Best players: CENTRALS: Mercer, Peatling, Matheson, Johnstone and Matouski. WERRIBEE SOUTH: McNaughton, Allison, W. Edwards, Caldwell and Phelan.

Goalkeepers: CENTRALS: Mercer 6, Crawford 4, Kakoschke 1. WERRIBEE SOUTH: W. Edwards 2, Cullen 1, Tyquin 1.

NEXT WEEK'S GAMES

Since they met in the last round, both Metro. Farm and Altona have turned in some very disappointing performances. Farm have had some injuries to leading players and this could be the reason for their mediocre form, but Altona, with a side capable of beating the best on their day, appear to have no excuses.

With fourth position the reward for winning this game, Altona should have the incentive to win. Derek York kept "Fisher Award" leader Ron Dingey in the background last week and as Farm lack good ruckmen, Altona should have the advantage in this division.

Attacks on both sides are quite good, but, the visitors' very strong defence led by Ian Harris should hold Farm's forwards to a losing score. Altona's attack will have to overcome Tony Brotto on the half-back line before being sure of victory. But, as they have more well-equipped players in their forward zone, Altona can afford to avoid any troublesome Farm defender and change their avenue of attack.

Traditional rivals, INF and Werribee South meet

again at Chirnside Park on Saturday. I.N.F. have beaten all teams this season and when they last met, South got within 16 points of them. However, I.N.F. have regained most of their last year's players and should prove tough opposition for South.

South's captain, Tom Stoios, should give his rucks the advantage, but South's old problem, no forward line, could again prove disastrous.

Last week Ken Munyard was placed at the spearhead and if given room and improves his kicking, he might be capable of filling this position, although he won't have it all his own way against Ron Carroll.

In the centre, the duel between Len Allison and Brian Smith should be well worth seeing. Smith should be the more beneficial to his side as he has the attack to capitalise on his creative play, where Allison, more or less, has hope for the best when he sends the ball into attack.

Laverton defeated Williamstown Rovers by 11 points at their last meeting and a repeat performance seems eminent.

Rovers star ruckman Ron Dingey was eclipsed last week against Altona and Laverton should be able to commiserate with him.

Hall will have to play close to Dingey to succeed in his mission and may be lost in Laverton in doing so.

The wing duels should be interesting especially if Brian Grimes is pitted against Chamings. Apart from a few leading players, Rovers lack brilliance and Laverton should have the edge in most positions.

Following their narrow defeat by I.N.F. last week Newport should return to the winning list with a victory over Central Altona.

Newport have more talented players than Centrals, although the latter have improved since the teams last met in the first game, when Newport scored a decisive win.

Centrals will have a lot of trouble in their attack trying to pass Newport's full-back Alan Harris, and their only chance is to have little more like Brian Trevean scouting around the goal square "snap" up the crumbs.

FARM SWIM THEIR WAY TO WIN

LAVERTON v. METRO. FARM

In a game where "learn to swim" lessons would have been an acquisition, Metro. Farm "swamped" Laverton in a one sided game at Laverton last Saturday. (Yes, the Laverton ground resembled the swimming pool.)

	M. Farm	L'ton
1st Qr.	1 4 10	0 0 0
2nd Qr.	6 11 47	0 2 2
3rd Qr.	7 14 56	0 3 3
FINAL	11 20 86	1 4 10

If either side were to have an advantage in the air, it was evident from the outset that the conditions would nullify this asset.

Farm, stronger all over the ground, attacked more persistently than their opponents and, but for bad kicking, would have opened up a commanding lead early in the game.

Ross Cheetham and Noel West were defending with determination for Laverton, although under pressure for most of the day.

On the occasions that Laverton did go forward, their attacks were repelled by Tony Brotto and Ted Brown, who was showing an encouraging return to form.

In an endeavour to cover

John Martin and John Bryan, who were damaging around the ground, Laverton switched Graeme Jewell on to the ball to partner Bill Devereaux.

This move had apparent results as it was the latter who posted Laverton's first and only goal early in the last quarter.

The home side had no answer to Farm's long-kicking centre-half forward, Eric Pengelly, who added bite to a usually suspect half-forward line. Summarising, Laverton were no match for a stronger Farm side who adapted themselves better to the conditions.

Best players: FARM: Martin, Brotto, Bryan, Pengelly and Williamson. LAVERTON: Grimes, Cheetham, West, Stirling and Devereaux.

Goalkeepers: FARM: Bryan 4, Pengelly 3, Martin 2, Williamson 1, Steinberg 1. LAVERTON: W. Devereaux 1.

Altona Holds Off W'town CYMS

WILLIAMSTOWN C.Y.M.S. v. ALTONA

By establishing a three goal break in the first quarter, Altona managed to defeat Williamstown C.Y.M.S. by 21 points, after the latter had tried desperately all day to bridge the gap.

	Altona	C.Y.M.S.
1st Quarter	4 3 27	1 2 7
2nd Quarter	6 7 43	3 4 22
3rd Quarter	8 12 60	6 6 42
FINAL	11 16 82	9 7 61

"Darby" Munro was the star of Altona's match-winning first quarter at centre-half forward.

His sensible play helped to keep their forward line open and made it hard for Town's defence, who had a torrid time stemming the many attacks that confronted them.

The second term was an even affair with Town showing more purpose on their forward line and holding their own in the rucks.

Steve Rieger was having a good day on the ball and created many chances for his side. Town tried valiantly to gain ground, but Altona refused to give in and held on to their handy lead at half-time.

In the third-quarter Altona relaxed for a time, and it looked as though the home side might get within one kick of them at "orange" time.

But, good classy forward play gave Altona two valuable goals on the bell and they retained their three goal lead for yet another term. It was obvious, at this stage, that this crowd-pleaser was going to develop into a dour struggle in the last quarter.

Inaccurate kicking may have robbed Altona of the chance of easing the pressure sooner even though the lead they had built up in the first quarter was becoming hard for Town to bridge.

Both sides added three goals for the term, although the defence of the home side battled hard to stop Altona from adding the three goals they scored. The visitors had

Where is the Stockyard Petition?

"What has happened to the petition objecting to the stockyard being built at Laverton?" asked Mrs. V. Devereaux of Cr. A. Davis at the meeting of the Laverton Progress Association last week.

Cr. Davis replied the council had directed that the petition be forwarded on through the correct channels.

(The petition, signed by Laverton residents in early March, has been forwarded by the association to the Werribee Shire Council. In the "Star" issued on March 21 we published details of a motion moved by Cr. A. Davis at a meeting of the Werribee Shire Council on March 14. The motion directed that the petition objecting to the stockyards which was received by the council from the Progress Association be forwarded to the local M.L.A. with a request to present it to the proper authorities. The motion was carried.)

Mrs. Devereaux said Mr. G. R. Crick, M.L.A., had not received the petition at the end of May and she asked "Where is it?"

Mr. J. Devereaux said the Progress Association is strong enough to make a stand on its own. He said it appears Werribee council is very lax in dealing with correspondence. This proves it.

He said Mr. Crick came at a minutes notice to see what assistance he could give Laverton in the stockyard problem. Mr. Crick knew he could not stop it from being built but he thought he would be able to stop it from being enlarged. Now he is looking for the petition.

Mr. Devereaux moved that another letter be written to the Werribee Shire Council asking for an explanation of the situation. Mrs. Devereaux seconded the motion and the other members readily agreed to the proposal.

FLOODING UNDER THE RAILWAY VIADUCT

Concern was expressed at the Laverton Progress Association meeting at the state of the Explosives Road where it runs under the railway viaduct on the Geelong railway line.

Complaints included the frequent flooding of the roadway which make it impassable for vehicular traffic.

When the road was under the control of the Country Roads Board they apparently placed barricades either side of the viaduct when the road was flooded. Recently the Country Roads Board handed over this road to the shires concerned.

The roadway is the boundary of the Altona and Werribee Shires which are jointly responsible for the maintenance of the road except for this small section under the railway viaduct. This is in the Shire of Altona.

WERRIBEE DEFEAT LAVERTON

WERRIBEE v. LAVERTON
Werribee defeated Laverton on Sunday last in a game highlighted by spasms of individual brilliance.

	Werribee	L'ton
1st Qr.	12 8	3 0 18
2nd Qr.	9 2 56	4 2 26
3rd Qr.	11 3 69	6 6 42
FINAL	14 5 89	6 6 42

Although favoured by a strong breeze in the first term, Laverton failed to convert the opportunities of winning rucks and rovers and Werribee's strong defence limited the elusive Robert Rigney, whilst during the second term, Werribee's strong marking around the ground and systematic forward play enabled them to tally up an amazing eight goals for the term.

Werribee resumed in the same vein after half-time, and with Michael Sheahan leading a strong half-back line, constantly drove the ball forward.

LAVERTON MARCHING GIRLS

The monthly meeting was held on Monday, June 10. There were seven members present.

The Ad Astras team were the winners of the Princess Competition. They raised £40, which was a splendid effort for all concerned. Mrs. Cook must feel very proud of them. Thanks go to the other teams for their fine efforts also.

Mrs. Cook is donating a crown and the princess will be crowned at a social in July.

The uniforms were discussed and it is hoped that all teams will have them very soon.

There are still vacancies in all teams for girls. Anyone interested could contact Mr. Allen, 19 Williams Road, Laverton.

REQUEST FOR M.F.B. INTERVIEW REBUFFED

The request by the Laverton Progress Association for an interview with the chief officer of the Metropolitan Fire Brigade has not met with any success.

The association wished to discuss fire protection for Laverton—particularly regarding the area south and east of the highway which does not come under the control of the M.F.B.

The M.F.B. has asked the association to refer the matter to their local municipal council.

Mr. J. Devereaux said early last year a letter on this problem was sent to the Werribee Shire Council with the usual result—no answer.

Mr. J. Devereaux suggested a letter be sent addressed to Mr. Aldridge personally. (Mr. Aldridge is the chief officer.)

Mr. Jackson said it would still go through his secretary and he would not get the letter. He said he contacts them three or four times per week and it is always through a secretary.

But Mr. Devereaux insisted on personally addressing a letter to Mr. Aldridge and requesting an interview. He moved a motion to this effect which was seconded and carried with one dissent.

Mr. Jackson then moved a motion that the association approach the three East Riding councillors with a request to urge the shire council into action on this matter.

Mr. Devereaux seconded this motion and it was carried.

R.S.P.C.A. OK's RIDING SCHOOL HORSES

PROGRESS ASSOCIATION NOT SATISFIED

Horses being hired to riders at the corner of Linden Avenue and Railway Avenue, Laverton, are not overworked and, at this time of the year the horses get water from feeding.

This was the reply the Royal Society for the Prevention of Cruelty to Animals sent to the Laverton Progress Association following a complaint from the Association.

An inspector of the RSPCA checked on the case and he reported the horses are watered in hot weather but at this time of the year not so much is needed and they get water from feeding.

When the letter was read to members of the Progress Association last week Mr. J. Devereaux voiced his disappointment in the reply and said they must persist in their efforts to have the horses removed from Laverton.

He said they are a hazard to traffic and to parents. He asked what would happen if there was an accident. He said money changes hands for the hire of the horses, therefore it is a business, but it is not registered. There should be somebody controlling it.

Mr. Jackson stressed several points that should be considered—

1. They have no permit to conduct a business;
2. Horses are ridden on the footpath;
3. Small children are allowed to ride horses; and
4. The horses are not from this shire.

Mr. Jackson said they bring an undesirable larrikin element into the town. He said it is a very unsatisfactory state of affairs and could be unsavoury.

COMPLAINTS SENT TO RAILWAYS DEPARTMENT

Members of the Laverton Progress Association wish to draw the attention of the Railways Department to a series of complaints.

First complaint was the state of the pedestrian crossing near the Laverton Railway Station.

The stock transports picking up cattle from the stockyards are apparently causing a lot of damage to this crossing, making it practically impassable for mothers with prams.

A complaint was made that the briquette dump which was until recently only supplying the Laverton area is now having more briquettes off-loaded for neighbouring municipalities.

The inadequate cover for patrons of the railway trains came under fire. It was reported that on wet days they were all herded together like a pack of mangy old sheep on Laverton station. The gravel section of the station became a sea of puddles. It was stated that as many weekly tickets were sold at Laverton as Werribee and Laverton was entitled to a larger covered area.

Another grievance was the delays caused by trains off-loading cattle for the stockyards. One member reported a train standing to 26 minutes recently and the whole time the warning bells were ringing.

Others have witnessed the highly dangerous practice of pedestrians (men, women and children) tired of waiting for stationary trains to move on, ducking underneath the carriages of the train in order to cross the line.

The association has previously forwarded a letter to the railways department requesting attention to the pedestrian crossing but no answer has been received.

It was moved and carried unanimously by members at this meeting that another letter be forwarded to the Railways Department setting out details of the above complaints and also suggesting that the crossing should be floodlit at night.

COUNCILLORS TO CHECK CORRESPONDENCE

Correspondence from the Laverton Progress Association to the Werribee Shire Council is not adequately dealt with by the council, complained Mr. J. Devereaux at the last meeting of the association.

He said letters are sent and they wait for either long-winded replies or no replies at all.

He suggested when the secretary of the association sends letters to the council he should also supply the East

Riding Councillors with details of the letters. In this way if a letter is not on the agenda for a council meeting the councillors can ask the shire secretary for an explanation.

Mr. Devereaux said there are some really outstanding letters which have received no attention by the council. He said the councillors could not be blamed as they had no knowledge of them.

It was decided that in the future councillors will be provided with details of letters sent to the shire office and councillors will be requested to keep a check on them.

CLUB NEWS**

**SNAPSHOTS FROM THE
CARNIVAL**
Altona's golden boy, John Golden, saved two penalty strokes in the first game against Toorak, a feat that few senior goalies could achieve.

A nice back stick pass by John Duncan to Jeremy Hunter, resulted in Altona registering their first goal of the day.

It was nice to see one Australian Badged Umpire and several Victorian umpires controlling the games, the majority of the lads appreciated their guidance and the standard of play improved as the day progressed.

Altona avenged last year's grand-final defeat by Moorab. bin with a penalty corner victory in round two.

A nice angle pass by Ross Ford let John Duncan position himself and score the most spectacular goal of the carnival and give Altona victory over Kew, who had beaten Altona earlier in the season, this win put Altona in the semi-finals.

Ivan Neale gave one of the best displays of hockey that he has ever turned in, he battled to hold the defence together early in the series when other defenders were out of touch and when they came good Ivan really burnt. Toorak will agree on that.

Former English International goalkeeper Ray Toner didn't take long to find a potential star of the future goalkeepers, he positioned himself by John Golden and gave some good coaching.

John showed his appreciation with another wonderful game in the semi-final, he made many saves including another penalty flick.

It is not often in senior hockey that the player taking a penalty stroke lifts the ball over the goal, but that is what 12-year-old Ross Ford managed to do, to the dismay of the Altona team and their many supporters. Ross redeemed himself a few minutes later when Altona were awarded another penalty flick, this time the ball barely left the carpet, but it had a lovely sound on the back board.

Though beaten in the semi final the Altona team gave a great display of teamwork and courage, it was hard to recognise the team that had failed dismally at their two previous Saturday games.

One thing is obvious that the boys do appreciate support, so parents, if you have a spare hour on Saturday mornings your support could help this young team make hockey history in Altona, and looking nine years ahead Altona could have representation at the Olympic Games, some of these players will be making their presence felt by then.

Congratulations to Greensborough and Footscray, winners of their respective divisions, for a consistent day's hockey.

Greensborough proved to be a well disciplined team and made the ball their objective in every game. Their victory was a popular one with all supporters.

THIS WEEK'S GAMES
Under 15 v. Ivanhoe at 10.30 a.m. (leave the post office at 9.45).

Under 13 v. Essendon at 10.30 a.m. (leave the post office at 9.45).

**WEST NEWPORT
BASEBALL CLUB
NOTES****A TEAM**

West Newport played Preston at Preston last Saturday on a ground that was in an extremely bad condition, mud was ankle deep all over the infield.

West Newport outplayed Preston all day, and with this win they have moved into equal fourth position, 1 per cent. out of the four.

A good win over Y.M.C.A. this week could lift their percentage and place them in the four.

Tony Michael got another eight strike-outs to bring his total for the season to 64 in seven games.

Only one error was made by West Newport, which is an excellent effort when the state of the ground is taken into consideration.

Safe hits: Kevin Michael, and Alan Solomano, 2 each; Chris A'postolides, John Reale, Don Henderson, John Armstrong and Tony Michael, 1 each.

Best players: Tony Michael, Kevin Michael and Don Henderson.

B TEAM

The B Team played at home and defeated Carlton 7-4 to bring up their fourth win for the season.

In the first innings Coburg took a 3-1 lead, but then West turned on a brilliant display of baseball to score seven runs and only allow one more run to be scored against them.

Alec Parker again pitched well.

Safe hits: Alan White 3; Alec Parker 2; Don Mackay, Duncan Swallow 2; Nick Toscas, Danny O'Connor and Athol Boxshall.

Best players: Alec Parker, Don Bearman and Alan White.

JUNIORS

Playing at home last week the Juniors with good team work soundly defeated Carlton 17-2.

Terry Forrester pitched well again to Don Henderson, and notched up another 10 strike outs. The team also fielded well.

Highlights of the game were two three-baggers, one by Don Henderson with bags loaded, and the other by Chris A'postolides.

Safe hits: Don Henderson, Dennis White, 2 each; Chris A'postolides, John Armstrong and Whitlock, 1 each.

THIS WEEK'S GAMES

The A Team will play Y.M.C.A. at Royal Park South at 12.30 p.m.

The B Team are to play Sunshine at Loft Reserve, West Newport, at 12.30 p.m.

FAILED TO GIVE WAY

Robert John Trembath, service station attendant, of 15 Seaview Crescent, Seaholme, was charged that on February 23, 1963, being the driver of a vehicle turning right at an intersection, to wit, The Esplanade and Pier Street, did fail to give way to a vehicle coming in the opposite direction. He pleaded not guilty and was represented by Mr. James.

Nazzarino Zerri, of Ballarat Road, Albion, said at 3.40 p.m. he was coming down The Esplanade at about 25 m.p.h. He saw defendant going to make a right hand turn and thought he would stop. When he was about 15 feet from the intersection he didn't have chance to stop but swung the car to the right, but they collided, both cars being hit on the left side.

First Constable J. Locke said Zerri told him he was driving towards Seaholme and Trembath was driving west. Trembath told him he was going to make a right hand turn into Pier Street and saw a car coming back near Sargood Street, and thought he had plenty of time to clear the intersection. But the car must have been travelling very fast, he was only doing about 10 m.p.h. He knew he should give way to traffic but considered he had enough time. In reply to Mr. James, Const. Locke said it was fair to say defendant was a good way into his turn when he was struck.

Trembath was fined £5 with £13/14- costs.

EXCESS WEIGHT

Arthur Ernest Squibb, Maidstone Street, Altona, was charged that on February 11, 1963, at Newport he did use a motor car on a highway, to wit, Douglas Parade, with a gross weight on the drive axle exceeding eight tons, also with using a motor car with a gross weight on the rear axle exceeding eight tons. He pleaded not guilty and was represented by Mr. Galbally.

First Constable N. Ross of the Mobile Traffic Squad said at 12.30 p.m. on February 11 he stopped defendant driving a truck loaded with fruit. He took him to the Ferry Terminal weighbridge at Port Melbourne and weighed the vehicle. The drive axle part of the truck weighed 13 tons cwt., and the rear 15 tons cwt. Squibb said he was only the driver of the truck and it was going from Melbourne to Tasmania by way of the Princess of Tasmania.

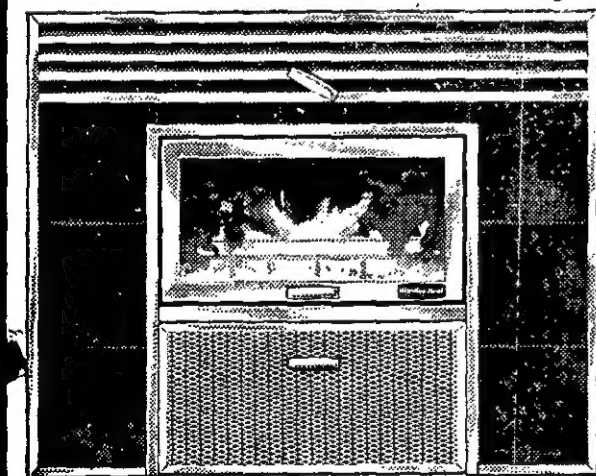

Mr. Galbally submitted there was no evidence given at the weighbridge at the terminal fitted the requirements of the Act or that it was the nearest one to the offence as required.

Mr. P. J. O'Connor, S.M., said he had given it serious consideration and Section 9 of the Motor Car Act empowers the Chief Commissioner to require the owner of a vehicle wishing to be registered to furnish them with a weight ticket, and Section 36 allows police, weights and measures inspectors and council officers &c., to take a vehicle to the nearest weighbridge to be weighed. The weighbridge used in this case is such a weighbridge as stated in the requirements and he was not able to uphold the submission by Mr. Galbally.

A previous conviction for the same offence was admitted by Squibb. He was fined £35 for exceeding the weight on the drive axle and an additional penalty of £60 and £35 for exceeding the weight on the rear axle with an additional penalty of £80.

INDOOR BOWLS

In their first round of matches in the Indoor Bowls Men's Club won one game series the Altona Working and lost three.

No. 1 team were defeated by the Altona Bowling Club. No. 2 team defeated Ascot Vale. No. 3 team were defeated by Ascot Vale (2). No. 4 team were defeated by the Altona Bowling Club.

The players were a little nervous at their first taste of competition bowling and found the older mats used by the experienced teams were faster.

At their social night during the week the conversation was mostly taken up with how they got on in the competition and what they will do next week.

The club has adopted the colours of green and white but have not made a final decision on their uniform.

Players could not help noticing how one of the bowlers kept avoiding the mats on which the bowls are placed. On no account would she step near one. Her antics in avoiding the mats were something to see. Was she superstitious? Or could it be anything to do with a nasty fall caused recently by one of these mats?

TABLE TENNIS NEWS ANNUAL TOURNAMENT

Entries flowed in over the weekend for the annual championship and handicap events. The tournament committee will deal with these currently for handicap and arrangement of seeding, but may accept late entries for any event in which there are byes.

LADIES EVENTS

A pleasing feature of entries for the tournament has been the support for the various events proposed for the fairer sex. To encourage this, late entries will still be accepted where there are byes in the draw for any event.

RECENT MATCHES

A good encounter last week was that between Maidstone and Seagulls in A Grade. Maidstone won and are now on top undefeated.

The club has looked forward to this night for many years and would like to make it a night which will always be remembered in the future of the club.

On Monday and Wednesday night all junior members have the opportunity to learn to dance from the many senior members who have been asked to make themselves available for this purpose.

ALTONA PRIMARY SCHOOL NEWS

Last Wednesday, June 5, Altona Primary School was host to a group of visitors, including three teachers from Africa.

They were—Mrs. T. M. Osindero, who is a member of a teachers' training college at Lagos, Nigeria, Mr. S. A. Junusa, vice principal of a teachers' college at Sierra Leone, and Mr. J. B. Chisela who is manager of schools in Northern Rhodesia.

During a welcome given by the head master, Mr. P. Trevaud, and the infant mistress Miss A. Risdale, the group was told of the efforts being made to treat the individual differences of each child.

Later, during a tour of the school they saw demonstrated the S.R.A. Reading Laboratory and the organising and reporting skills project in action as well as observing the development of Cuisenaire from the colour stage in prep. grades to its application in higher grades.

The following day 30 teachers from surrounding schools attended a Cuisenaire Workshop, which was conducted by Mr. Pringle of the Curriculum and Research Branch of the Education Department. Special emphasis was placed on the Grade 3 courses.

It has come to our notice that some school pupils have been visiting private homes requesting donations of money or goods for various institutions.

Residents are informed that no pupil from this school has ever been given authority to collect anything from residents.

Pupils from 5B last week held a stall at school in aid of the Freedom from Hunger Appeal. £8/1/6 was raised by the girls, making a total of £21/1/6 collected from the children of this school.

FOOTBALL

In the main football game of the season, Altona, with a little bad luck in front of goal, suffered their first defeat to Werribee by 5 points.

Scores: Werribee 14.10, defeated Altona 0.5.

Best players: Vanderpoel, Hardham, Gathercole and Chatfield.

GUIDES AND BROWNIES

The Dog Competition so kindly arranged by the local dog breeders association in aid of the Guide Building Fund resulted in raising approximately £70, on present indications.

We are indebted to Mr. and Mrs. Candlish for their work in organising it, those who patronised it and the public who attended.

Our sincere thanks also are extended to the football club for the use of their clubrooms, the bowling club for the use of their trestles and Mr. Rayner for the use of his barbecue brazier.

We also wish to thank the Shire President (Cr. A. W. Bond) who officially opened the competition with a few well chosen words, and for his contribution. Cr. Bond also presented the numerous prizes.

Present also were Crs. V. L. Hearn and S. McIntosh.

It was a gala day for all, the weather was kind, and the event helped put Altona on the map, and we hope there may be a repetition in the coming year.

The Guide's Association also wish to express their indebtedness to the council for the use of Grant Reserve.

FREEDOM FROM HUNGER CAMPAIGN

When approached by a representative of the "Star" as to whether the action of the president of the Shire of Eltham in using her presidential allowance for assistance to the Freedom from Hunger Campaign rather than running a civic ball, Cr. A. W. Bond, J.P., president of Altona Shire said that his allowance was not designed for any ball purposes.

However he wished to commend the appeal to all members of the public. No doubt many folk were contributing to the appeal through school funds, church appeals and collections in the various points of business. As well, everyone has seen the TV advertising in connection with the campaign and many folk would like to contribute.

Therefore any contributions which could be left at the shire office would be duly acknowledged and forwarded to the appeal headquarters without delay.

LABOR VIEWS

(The following article has been contributed by the Central Executive of the Australian Labor Party.)

The first meeting of the A.L.P.'s Rural Policy Committee for the year 1963-64 took place last week in Melbourne. This committee was established two years ago and consists entirely of people who live and work in the countryside of Victoria. As farmers they have first hand knowledge of the problems that confront primary producers.

They advise the Victorian Branch of the A.L.P. on current and long term policy affecting all rural matters. Their decisions are also passed on to the Federal Executive of the Party for consideration.

The current committee was elected by the delegates attending the Annual Country Conference of the Party which was held in Ballarat last March.

The members include Mr. John Hayes, of the Ballarat A.L.P., who brings to the committee first hand knowledge of the problems of rural workers, being of the staff of the A.C.T.U. Mr. Cyril Sudholz is a wheat farmer from the Wimmera area. Mr. George Gowty of Koroit represents dairy farming, as does Mr. Ed Morris of Polwarth.

Mr. Stan Nash from Bellarine is, among other things, a potato grower. Mrs. Elaine Knight, of Bendigo, brings to the committee, not only the problems that women face in the countryside but also an expert knowledge of the poultry industry. Mr. Ben Hall, from Narbethong, works in the timber industry and Cr. Jim McIntyre from Hamilton represents the wool industry. Mr. Eric Kent from Lang Lang brings a knowledge of general farming and Mr. Neil Frankland of Echuca, fruit and irrigation farming.

The committee is presided over by its chairman, the Hon. Jack Jones of Stawell.

The committee will not hesitate to seek expert advice from scientists and specialists whose assistance will be invaluable.

The accusation so often levelled against the Labor Party that it ignores the primary producers is completely disproved by the very existence and work of this committee.

In the elections next year, its work will have considerable influence upon the Party policy to be submitted to the electors.

THE D.L.P. SAYS...

The Central Executive of the A.L.P. goes on record by stating that "The Australian Labor Party has always been opposed to Communism" ("Altona Star" 6/6/63).

It is obvious that this opposition is only with words, when in fact the collaboration between Communists and some A.L.P. members in union elections is allowed to continue.

A Victorian Branch election is now being held for positions in the Australian Railways Union. In a recent issue of the "Railways Union Gazette" the two centre pages together constituted a "how to vote" ticket for the unions present ruling group.

On one page there are candidates for four positions, who are members of the Australian Labor Party, Messrs. Bone for State president, O'Brien for assistant secretary, Healy for organiser, and Pauline for Australian councillor.

This same group puts forward candidates for the other four key positions. They are on the other page—Messrs. J. J. Brown for State secretary, Cregan for industrial officer, Noye for second organiser and Feehan for second Australian councillor.

These are all members of the Communist Party.

The two pages are published side by side and dove-

tail as an alliance of members of the A.L.P. and the Communist Party for control of the union.

The writer for the Central Executive of the A.L.P. in the same "Star" article goes on to accuse the D.L.P. of smearing the A.L.P.

The public will by now be well aware as to who employs the smear tactics, and the answer was given by the Mayor of Brunswick (Cr. L. O. Taylor) when he resigned from the A.L.P. last week because he considered that all Labor councillors in Victoria had been smeared by the Victorian Central Executive of the A.L.P.

ALTONA EAST PRIMARY SCHOOL ALTONA EAST WINS WEST AT FOOTBALL

After winning their first ever match against Newport West recently, the Altona East first 18 continued their winning run in fine style by defeating the strong North Williamstown side 7.8.50 to 3.3.1.

The ground was quite wet and muddy in patches, as players came off the ground after the match covered from head to foot with mud, evidence that each player had gone into the game regardless of the conditions.

Both sides played quite good football, with some clever marking of the greasy ball.

The best players for Altona East were—

Alan Bartlett (best on the ground), courageous and unbeaten at centre-half back directed many long kicks his forwards; Derek Hendry a good captain's game, and dominated the ruck with his outs and strong marking; Bernard Ryan and Phil Halls—both were clever their play on the forward line. Others to do well were—Vlada Jovanovic, John Matthews and Silvester Rando.

Goalkeepers—Hendry, Jovanovic 2 each, Halls, Ryan and Bensch 1 each.

BASKETBALL

Firsts—A close and exciting match, played on a rather slippery court, was won by North Williamstown in the last quarter, 17-14.

Goalthrowers—S. McMinn and S. Wujow 7.

Seconds—Playing real good basketball, the Altona East seconds won their first match for the year, 11-2.

Best players—Elaine Izdyk, Vicki Anderson and Erica Munter.

Goalthrowers—E. Munt 10, B. Rus 1.

Freedom From Hunger Campaign—The Social Service League at the school has already raised £40/14/3.

KINDERGARTEN HAS DOUBLE TROUBLE

Teachers at the Altona Kindergarten face double trouble in the next few years.

Within half a mile of the kindergarten live three sets of twins—all girls.

They are: Amanda and Jacqueline Drane, who are 2; Joanne and Pauline Clarke, 10 months; and Aafra and Dina Brokking, 2½.

All were born in Australia, but their parents migrated here.

The Dranes migrated from Scotland 10 years ago, the Brokkings from Holland six years ago and the Clarks from the Isle of Man three years ago. Each family already has a four-year-old child at the kindergarten.

The Dranes, of Queen Street, have Karyn Lee, the Brokkings, of McBain Street, have a son Rini, and the Clarks, of Pier Street, have Marj.

The older children attend a morning school four days a week, and each lunchtime their mothers with the twins in tow, collect them.

Elder sisters and a brother shepherd the twin sisters at the Altona Kindergarten.

From left: Karyn-Lee Drane, 4, with twin sisters Jacqueline and Amanda, 2; Marj Clarke, 4, with twin sisters Joanne and Pauline, 10 months; Rini Brokking, 4, with his twin sisters Aafra and Dina, 2½.

Apples with a Party Look

PREPARED BY MARY BLAKE, HOME ECONOMIST.

At this time of the year when apple are plentiful, it is sometimes difficult to think up new ways to serve them. The recipes I have chosen for you this week are just a little different and are attractive enough to serve for party occasions.

The spicy apple pie with the addition of sultanas and spices to the apples, and the brown sugar topping is the perfect finish for a meal with a fairly light first course.

Trifles are never out of favour and this apple trifle recipe is very simple to prepare, and can be served for the family or dressed up with garnishing of almonds and cherries for a party occasion.

Apple Mousse, like the previous recipe takes on a glamorous appearance for parties and yet is a very simple sweet to prepare.

SPICY APPLE PIE

1 x 9" unbaked pie shell
4 medium cooking apples
1 cup brown sugar
1 cup flour
1 teaspoon allspice
1 teaspoon grated lemon rind
2 tablespoons sultanas
1 cup undiluted evaporated milk
2 tablespoons melted butter.

TOPPING

2 tablespoons brown sugar
1/2 teaspoon allspice.
Peel and slice apples into unbaked pie shell. Combine brown sugar, flour, allspice, grated lemon rind, sultanas, evaporated milk and melted butter. Pour over apples. Combine topping ingredients and sprinkle over apples. Bake in a hot oven 400°F. for 15 minutes then reduce temperature to 350°F. for 20-25 minutes. Cool before serving. Serves 6-8.

APPLE TRIFLE

2 lbs. cooking apples
6 oz. sugar
Grated rind of 1/2 lemon
Stale sponge
1-2 tablespoons sweet sherry
3/4 pint custard sauce
2 oz. slivered almonds.
Whipped cream
Strawberries or other fruit to garnish

Peel, quarter and core the apples and cook gently with the sugar, lemon rind and about 2 tablespoons water till soft. Beat to a smooth pulp. Slice the sponge and place in individual dishes or in a large serving dish. Sprinkle with sherry. Spread the apple puree over the sponge. Pour over custard sauce. Top with slivered almonds. When ready to serve garnish with whipped cream and if available top with a strawberry. Serves 4-6.

CUSTARD SAUCE

2 tablespoons cornflour
1 cup undiluted evaporated milk
1 cup water
1 tablespoon castor sugar
Lemon or vanilla essence.
Blend cornflour with a little evaporated milk. Add remainder of milk with water, sugar and essence. Cook over slow heat, stirring constantly until thick.

APPLE MOUSSE

4 large cooking apples
Sugar to sweeten
1 teaspoon grated lemon rind
1 lemon jelly.
1 cup hot water
2/3rd cup undiluted evaporated milk, chilled
Peel, core and quarter the apples. Stew until tender with a little water, sugar to taste and lemon rind. Cool. Dissolve lemon jelly in hot water and cool. Add apple to lemon jelly and mix. Whip chilled evaporated milk until stiff and fold into apple jelly. Pour into mould or serving dishes and refrigerate until set, about 1 to 2 hours. Serve with whipped cream or custard sauce and garnish with a cherry. Serves 4-6.

FILM NIGHT AT THE HOSPITAL

On Friday, June 21, at 8 p.m. in the staff amenities dining room of the Footscray and District Hospital the hospital's staff activities organisation will hold a film night to which the public is invited.

Films to be shown by the hospital's chief pharmacist, Mr. H. A. Tregallas will be in two parts. Three dimensional films of general interest, including Major John Glenn's space flight, and Tom Corbett, space cadet, for the children.

Three dimensional films are seldom shown so this will be a rare opportunity to see this new medium. A colour movie of the building of the hospital will also be shown. This film was exposed over the six year period of the hospital's construction and shows details of this mammoth job from the vacant site to the completed building.

Supper will be provided by members of the staff activities organisation.

LAVERTON A.L.P. BRANCH MEETING

At the meeting of the Laverton Branch of the Australian Labor Party last Tuesday concern was expressed that no replies had been received from the Werribee Shire Council to a letter sent to the council after the last meeting of the branch on May 14.

The letter was complaining about the state of footpaths and the blocking of gutters in Laverton.

The branch decided to again draw the attention of the Air Department to the necessity of providing a footpath along Maher Road, from the R.A.A.F. Station gates to Heffernan Street, where the council footpath starts. The dangers of people dressed in dark clothing walking along this road at night have been previously pointed out to the Department, but as yet there has been no response.

Another matter the branch discussed was the vandalism to telephone boxes in the East Riding of Werribee. Over the holiday weekend it was reported all public telephone boxes were out of order. It was decided to notify the P.M.G. of the damage to the boxes.

The next meeting of the branch will be on Tuesday night, July 9.

MARCHING WITH THE GIRLS

MEET THE TEAMS—WEST NEWPORT
CORALLETES—SENIOR GRADE

First formed in 1959 they were the original
team of the West Newport Club. The instructor is
Mr. R. Smith, a plumber, and the chaperon is Mrs.
S. McKay.

Team members this season were V. Newgreen
(leader), A. Reeves, M. Ritter, M. Henwood, C.
McKay, D. Southwell, B. Noy, P. Spence, W. Palmer,
B. Wilson and J. Fisher.

During the season they won one medal, at Beaufort for 2nd place in the march past. They finished 2nd in the fall in to the South Australian team White Heathers at Mil-dura last weekend, but unfortunately only first prizes were given.

Throughout this season they have marched well, and with the girls they gain from the juniors, should do well next year.

Of the present team three girls are now leaving. Margaret Henwood, who has married, Dawn Southwell, who is joining the Air Force, and Wendy Palmer.

The leader, Val Newgreen, has worked extremely hard

this year, but although she has done a good job in the fall in, has been unfortunate over the discs.

Any local girls of 15 years of age or over who are interested in joining this group should come to the West Newport State School, Maddox Road, any Saturday after noon and contact the chaperon Mrs. McKay.

The club will conduct another paper drive in their area on Sunday and any house holders who have papers or bottles to spare are requested to donate them to this worthy cause.
